2019 SHOW SCHEDULE

Annual Show Rules

1. The Theydon Bois Village Show is organised in accordance with the Rules and Definitions etc., in the Horticultural Handbook of the Royal Horticultural Society, a copy of which will be available on the day of the Show.
2. The show is divided into the following sections for judging purposes:
 - Vegetables and Fruit
 - Flowers and Plants
 - Handicrafts
 - Photography
 - Cookery and Preserves
 - Junior Section (restricted to children under 16 on the day of the show)
3. Each section is subdivided into classes.
4. Each exhibitor may only place one entry in a class.
5. Entry Fees for 2019 will be:
 - Adults - 20p per class
 - Juniors – Free
6. Entries must be “home” produced, that is fruit, vegetables and flowers must be grown by the exhibitor, and cookery, photographs, and handicrafts must be the work of the exhibitor.
7. Entrants are reminded that the horticultural show, unless stated otherwise in the rules, is intended for amateurs and not professionals. In the Cookery, Handicraft and Photographic Sections potential entrants should consider themselves professionals if they trade or produce articles for sale in the same section.
8. Whilst every care will be taken over the exhibits, the Committee will not hold itself responsible for any accident or damage that may occur to any exhibit.
9. Floral exhibits must be presented in the Society’s vases unless otherwise stated in the schedule.
10. Professional gardeners exhibiting produce from their employers’ gardens must enter them in their employer’s name. Prizes thus awarded will be credited to the owner of the garden.
11. The only persons that will be allowed in the village hall whilst judging is taking place are the judges and their supporting stewards.
12. The judges’ decision is final.
13. If the number of entries in any one class is less than three, the number of prizes awarded shall be at the judges’ discretion.
14. Protests – any protest must be made in writing and delivered to the show secretary within one hour of opening to the public.
15. The presentation of the Trophies and Prize Money for all Sections will be made on the day of the Show. Any other awards will be made at the Society’s Annual General Meeting.

THEYDON BOIS HORTICULTURAL SOCIETY

2019 SHOW SCHEDULE

16. Trophies will be presented on the day of the show, but then will be retained by the show secretary for engraving. The show secretary will distribute the cups after engraving, the winner will then hold them until 30th June 2020 when they should be returned to the Show Secretary in a clean condition.
17. The committee has the power to disqualify any exhibitor who refuses permission to look over his/her garden or allotment. The duty of this inspection shall be carried out by a person mutually agreed by the Committee and the exhibitor.

Submission of Entry Forms

Entry forms may be sent to the show secretary by email to theydonshow@gmail.com before 11pm on Thursday 18th July, handed to any committee member prior to Friday 19th July, or be submitted at the Village Hall between 2.30 and 8.00pm on Friday 19th July. (To send by email, fill in the form, scan or photo with a smart phone and then forward to the above email address)

Exceptionally entry forms may be accepted between 8.30 and 9.30am on the day of the show. This will be at the discretion of the committee as it will depend on demand and the availability of personnel to write entry cards.

Each entrant will be given a unique identity number which should be retained and used to collect any prize money from the Treasurer at the show.

Presentation of Exhibits

Exhibitors should collect their entry Identity cards from the foyer of the village hall on the day of the show.

Exhibits should be prepared and staged between 8.00 and 11.00am on the day of the show.

Exhibitors should place their entries in the appropriate place in the hall together with their identity cards with the exhibitor's name face down on the table.

Entries must be left on the tables till 4.30pm. At 4.30pm the exhibitor should remove their exhibits from the hall. Any left beyond 4.45pm will be deemed unwanted and sent for disposal.

2019 SHOW SCHEDULE

To Help the Exhibitors – Hints and Definitions

GENERAL

Read the Show Rules and get your entry form in before Show Day.

Show your exhibits as attractively as possible.

If you are exhibiting for the first time don't be afraid to ask for help and guidance from the committee or stewards: they are there to help

Come prepared; bring scissors, pen, newspaper, a small watering can and any other tools you might require to display your exhibit.

Pay attention to the number of items required for the class: more or less will disqualify. For example, in Class 1, Potatoes 5, five are required. Four or six will not do!

POT PLANTS

The pot should be clean and soil fresh looking on top. Remove dead or deformed leaves and flowers, name the plant if you can.

FLORAL AND FOLIAGE DISPLAYS

If there are not many flowers in your vase and they are difficult to arrange, little wads of newspaper or foam inside the vase will help your arrangement. The marking takes into account the quality of the arrangement.

Uniformity of specimens in an exhibit is of importance. Generally, in a number of set flowers, e.g. 3, three similar size specimens will score over two large and one small.

FLOWERS

Specimen Rose. This class will be judged first. The rose should be without foliage as it is the bloom that is judged. Wire or other support may be used to keep the bloom erect. The bloom should be fresh, free from blemish, half to three quarters open and of full size for the variety, good form with petals regularly and gracefully arranged within a circular outline and having a well-formed centre.

Decorative Class. Groups of roses are considered more decorative and should show the foliage which should be of good size and free from blemish with strong stems proportionate to the size of blooms.

Single, semi- double, and fully double blooms are regarded as of equal merit, and should be half to three-quarters open.

Cacti. Other things being equal a plant in bloom will be preferred to one that is not.

THEYDON BOIS HORTICULTURAL SOCIETY

2019 SHOW SCHEDULE

Pelargonium (Geranium). As shapely as possible, ample clean healthy foliage, flowers round and of decided colour.

Fuchsia Plant. Vigorous symmetrical, floriferous with clean foliage.

VEGETABLES

When exhibiting vegetables, the condition, size and uniformity should be considered.

Condition – Clean, fresh, tender, absence of blemish.

Size – Meritorious if accompanied by quality

Uniformity – Alike in size and/or colour.

Root vegetables should be washed carefully leaving the skin clean and undamaged. Leave approx 5cm of leaf stalks.

Beetroot and Carrots Size according to variety, tender, good shape, clear of side roots, skin clean and bright. Leave approx 5cm of leaf stalks.

Beans

Broad	Large, well filled and clear skinned, with short stalk attached
Dwarf	Straight, fresh and brittle, with short stalk attached
Runner	Straight, fresh and brittle, with short stalk attached

Cabbages Shapely, solid heart, surrounding leaves perfect.

Lettuces Firm tender unbroken hearts of good colour. Wrap roots in damp kitchen towel.

Onions Large, firm, thin necks, **with** tops – not excessively skinned. Roots neatly trimmed back to basal plate.

Parsley Can be shown as a herb but it is also permissible to use it as a garnish in collections of vegetables.

Peas Large, well filled, fresh and deep green with bloom and short stalk attached.

Potatoes Medium size, clean clear skin, eyes few and shallow.

Radishes Medium size, young, tender, bright colour, short intact foliage.

Shallots Should be staged as separate bulbs and look well bedded on a little sand.

Tomatoes Size and shape according to cultivar, firm, well coloured, calyces attached.

FRUIT

Currants (black, red, or white) 12 strigs (bunches as grown).

Gooseberries, Raspberries, Strawberries, Blackberries and Blueberries. Leave the little stalks on. Entry 12 berries for each kind.

THEYDON BOIS HORTICULTURAL SOCIETY

2019 SHOW SCHEDULE

PHOTOGRAPHY

The photographs will be judged by giving half the marks for technique: focus, exposure, colour, composition etc. and half the marks for interpretation of the subject. Photographs must be mounted on a suitable card, mount not exceeding A4 for individual photos.

HANDICRAFTS

Work to have been completed since last show day.

Any article made from a kit must be so marked.

An article using both soft and hard materials, e.g. a wooden stool with a soft top, may be entered 'soft' class if the top has been made by the entrant and the wooden stool bought separately. In such a case the entrant should indicate the part which is being entered as their own work.

Definitions

From the RHS "The Horticultural Show Book"

Perennial

A perennial plant is one which lives for more than two years and includes trees, shrubs, plants grown from bulbs, corms and tubers and in fact all that are not annuals or biennials.

Herbaceous Perennials

Plants with non-woody stems which die down to ground annually but have root stocks which remain alive throughout for several years: for horticultural purposes the word root stock includes bulbs, corms and tubers.

Annuals

Many perennial and biennial plants are now commonly cultivated as annuals, that is to say they are raised from seed, flowered and discarded within 12 months. The difficulty in distinguishing between annuals, biennials and perennials is so great that our classes will mean "Flowers grown from seed during the 12 months preceding the show".

Kind

Chrysanthemums, delphiniums, phloxes and roses are kinds of flowers: apples, grapes, pears are kinds of fruit etc.

Variety

Variation within a "kind" e.g. Crimson Glory, Superstar are varieties of rose, Bramley's seedling and Blenheim Orange are varieties of apple.

2019 SHOW SCHEDULE

Tortoise Race

Rules

1. Entry will be restricted to tortoises under weight of 5kg. (Sorry, no fully-grown Galapagos, Aldabaran or Giant African Tortoises will be allowed!)
2. If the number of entries permit, races will be arranged by tortoise weight, flyweight (up to 1.0kg), middleweight (1.0 to 2.5kg) and heavyweight (over 2.5kg).
3. The race will be run in lanes, 30cm wide, between boards over a distance of approximately 3.5m.
4. Once the race has started the owner may not touch their tortoise other than to stop their animal if it tries to climb out of its lane.
5. Any animal climbing out of its lane will be given a 20cm penalty.
6. Owners can place whatever enticements, bribes or incentives they want along their lane to encourage racing.
7. The referee's decision is final.
8. Rosettes will be awarded to 1st, 2nd and 3rd places.

Owners should bring their tortoises to the event in a secure box, a cat carrier is ideal, with plenty of padding and ventilation to prevent injury and escape.

Get training!

Tortoise Race Entry Form - To be sent to the Show Secretary by Friday 19th July.

Advance notice of an intention to enter by email (theydonshow@gmail.com) or phone (07703 205951) would be much appreciated by the organiser

Cake Recipe

Banana bread (Class 85)

Ingredients

140g softened butter plus extra to grease the tin
140g caster sugar
2 large eggs
140g self-raising flour
1 tsp baking powder
2 ripe bananas
50g icing sugar
Dried banana chips to decorate

Method

1. Preheat the oven to 180°C (160°C fan)/Gas 4
 2. Grease and line a 30cm x 6cm x 10 cm loaf tin with non-stick paper
 3. Cream 140g softened butter and 140g caster sugar until light and fluffy, then slowly add 2 beaten large eggs with a little of the 140g flour.
 4. Fold in the remaining flour, 1 tsp baking powder and 2 mashed bananas.
 5. Pour into the tin and bake for about 30 mins until a skewer comes out clean.
 6. Cool in the tin for 10 mins, then remove to a wire rack.
 7. Mix 50g icing sugar with 2-3 tsp water to make a runny icing.
 8. Drizzle the icing across the top of the cake and decorate with a handful of banana chips.
